Ref: Request to postpone June 22 2015 2:15 pm pre-trial conference to July 22, 2015 2:15 pm
Deivasigamani Guruswamy v. Marsh & McLennan Companies, Inc./Guy Carpenter & Company,
LLC, et al., Index No. 13-CV-07598

Dear Judge Gabriel W. Gorenstein:

Plaintiff Deivasigamani Guruswamy respectfully submits a request for postponement of the June 22 2015 2:15 pm pre-trial conference on account of thoracic fundoplication post-surgery issues and ongoing significant voice and throat problems.

As per my earlier April 10, 2015 dated letter the ongoing investigations for my throat and voice problems a thoracic fundoplication surgery was performed four weeks back and the surgeon advised no physical activities until June 30 2015 for post-surgery issues and recovery. My voice and throat problems have not improved and the specialist ENT doctor is further diagnosing with more tests to add new treatment for the throat pain, voice fatigue, fluids congestion and cough. As I have still significant symptoms with my throat and voice while speaking and restriction in physical activities and as advised from doctors I would like to postpone the first pre-trial conference to July 22, 2015 2:15 pm. Letter from Surgeon is attached and a letter from ENT doctor could be produced if asked for.

I have contacted the Defendant Attorney associate Ms. Sarah Moss on my current voice and throat issues and the suitability of the new date after obtaining the July 22, 2015 2:15 pm date from the deputy clerk. Both parties on telephone conference consented with the deputy clerk on the available July 22, 2015 2:15 pm date.

I pray the Honorable Judge will grant my request to postpone. I appreciate the Court's courtesy and consideration with respect to this request.

Thank you.

*Conference adjourned to July 22, 2015
at 3:30 p.m. Please note the time change*

SO ORDERED: DATE: 6/2/15
